Re: Public Convenience and Necessity Letter
"Lodge Room HLP, LLC"
104 N Avenue 56, #2
Los Angeles, CA 90042

The subject establishment *Lodge Room HLP*, will be located on the second floor of the historic Highland Park Masonic Temple. *Lodge Room HLP* is requesting a Type 47 license for a full line to coincide with their food service. To serve the public convenience and necessity, the applicants are requesting to have alcohol service as an additional amenity.

The applicants wish to provide a full line in conjunction with food service at a restaurant, bar and performance space. The historic Highland Park Masonic Temple operated as a Masonic Lodge for 60 years from 1923 until 1983. Following extensive renovations to retrofit the building, a new operator opened in 1990 as a mixed use building with a banquet hall operating out of the space that the applicants are applying for the Type 47 to serve. The banquet hall was used for occasional parties and private events, however it often sat vacant when unbooked. The operators will come in and operate a full service restaurant and bar with regular hours and activate the space so that it does not sit vacant. The performance venue will provide live music, theater and other live entertainment to the community.

Although the 1838.10 census tract is currently over-concentrated, ABC typically will take into account when an application is located in a high traffic area that serves a population greater than just the nearby residents. The subject location is off of Figueroa Blvd. in the Highland Park neighborhood. This stretch of Figueroa has experienced a resurgence in recent years with the opening of several establishments that are activating previously vacant spaces and bringing a new life into the neighborhood for residents and visitors alike. In cases like this, ABC will allow licenses to be issued, as the issuance would serve the public convenience and necessity.

With the above taken into consideration, granting an alcoholic beverage license for this restaurant will serve public convenience and necessity while not harming the public health and welfare.

Sincerely,

Henry Truong

Re: Letter of Non-Interference
"Lodge Room HLP, LLC"
104 N Avenue 56
Los Angeles, CA 90042

The subject establishment *Lodge Room HLP* will be located on the second floor of the historic Highland Park Masonic Temple. Pursuant to Rule 61.4, a license may be granted for an establishment within 100' of a residential dwelling if it can be determined that the business will not interfere with the quiet enjoyment of the resident.

The applicants are planning a restaurant, bar and performance space that will provide food, drinks, live music, theater and other entertainment. The applicants have taken steps to renovate the space in a way to where their operations will not interfere with neighbors. While the previous use of the building was as a banquet hall, the operators did not renovate the building to include soundproofing for consideration of the neighbors. *Lodge Room HLP, LLC*, in desiring to create a space that will be beneficial to the neighborhood, have done extensive acoustic work. An expert was brought in to install soundproofing materials in the performance space, and tests were done to measure decibel levels to ensure that all noise is contained within the licensed space. Additionally, a detailed security plan including an extensive camera layout, and security guards stationed throughout the premises will ensure that customers are both safe, and under control.

With the above taken into consideration, granting an ABC license for this establishment will not interfere with the neighboring residents' quiet enjoyment of their home, nor will it contribute to harming the public health and welfare. Because of this, it can be reasonably assured that the issuance of the requested Type 47 will not cause any problems.

Sincerely,

Henry Truong

Congratulations. You are eligible to file a formal application for the above license. The next steps are as follows:

1. You must pay the \$5900.00 priority application fees, within 30 days of the date of this notice. Payment must be by cashier's check and made at the ABC Office shown above. Unfortunately, your position on the priority list does not make you eligible to file a formal application for the above license.

Your priority application fee, less a \$100 service charge, will be automatically refunded to you. Also, if a government taxing agency has filed a claim for money owed to it, the amount owed will be deducted from your refund. Refund check will be mailed within 90-120 days of the public drawing date of October 20, 2016.

Your position on the priority list is not affected by the automatic refund of your application fee. If sufficient applicants are disqualified to make you eligible to file a formal application, you will be notified by mail. If you are so notified, you will have 30 days to repay your priority application fee (less the \$100 service charge previously withheld). Section 23038
Acknowledgment

If you are licensed as a bona fide public eating place, you must be prepared to serve the usual assortment of foods commonly eaten at different times of the day. Meals do not necessarily have to be served continuously, but at least during the normal breakfast hours, the normal lunch hours, and the normal dinner hours.

Premises must be regularly kept open and in a bona fide manner used for the serving of meals to guests for compensation.

- (1) "Regularly kept open" - Premises which operate as a bona fide public eating place shall be considered regularly kept open provided they make actual and substantial sales of meals during the normal meal hours at least five days a week. Normal meal hours are considered to be:

BREAKFAST	6:00 a.m. to 9:00 a.m.
LUNCH	11:00 a.m. to 2:00 p.m.
DINNER	6:00 p.m. to 9:00 p.m.

RECEIVED

JUN 20 2017

Dept. of Alcoholic Beverage Control
Metro

Not opening until 9:00 p.m. does not relieve you of having to comply with Section 23038 of the Business and Professions Code. You must still open and operate in good faith as a restaurant, as set forth in this document.

- (2) "Used in a bona fide manner" - Premises will be considered as being used in a bona fide manner if:

- (a) There is a real offer or holding out to sell meals when the premises are open (as provided above.)
- (b) Actual and substantial sales of meals are made to guests for compensation.

Incidental, sporadic or infrequent sales of meals or a mere offering of meals without actual sales shall not be deemed sufficient to consider premises as being used in a bona fide manner.

- (3) "Meals" - Means the usual assortment of food commonly ordered at various hours of the day. The service of such food and victuals only as sandwiches or salads shall not be deemed compliance with this requirement. However, certain specialty entrees, such as: pizza, fish, ribs, etc., and an assortment of other foods, such as: soups, salads or desserts, may be considered a meal.

(4) Premises must be equipped and maintained in good faith for sales to, and consumption by, the public of meals upon the premises.

(a) "Equipped and maintained in good faith."

(i) Premises must possess, in operative condition, such conveniences for cooking foods as stoves, ovens, broilers, or other devices, as well as pots, pans or containers which can be used for cooking or heating foods on the type heating device employed.

(ii) Premises must possess the necessary utensils, table service, and condiment dispensers with which to serve meals to the public.

(iii) Premises must make an actual offer or holding out of sales of food to the public by such devices as menus, posters or signs.

(iv) Premises must possess a supply of goods adequate to make substantial sales of meals.

(5) Food facilities must be maintained in a sanitary condition and the premises must be equipped with a proper amount of refrigeration for keeping of food on the premises and be equipped with such other facilities as are necessary to comply with all regulations of the local health department.

I understand that failure to comply with the above requirements may result in suspension or revocation of my Alcoholic Beverage License.

GENERAL INFORMATION

•Section 23790 of the Business and Professions Code says that ABC may not issue a retail license contrary to a valid zoning ordinance. This form will help us determine whether your proposed business is properly zoned for alcoholic beverage sales.

•A conditional use permit (CUP) (Item 11) is a special zoning permit granted after an individual review of proposed land-use has been made. CUP's are used in situations where the proposed use may create hardships or hazards to neighbors and other community members who are likely to be affected by the proposed use. The ABC district office will not make a final recommendation on your license application until after the local CUP review process has been completed. If the local government denies the CUP, ABC must deny your license application.

23790. Zoning ordinances. No retail license shall be issued for any premises which are located in any territory where the exercise of the rights and privileges conferred by the license is contrary to a valid zoning ordinance of any county or city.

Premises which had been used in the exercise of those rights and privileges at a time prior to the effective date of the zoning ordinance may continue operation under the following conditions:

(a) The premises retain the same type of retail liquor license within a license classification.

(b) The licensed premises are operated continuously without substantial change in mode or character of operation. For purposes of this subdivision, a break in continuous operation does not include:

(1) A closure for not more than 30 days for purposes of repair, if that repair does not change the nature of the licensed premises and does not increase the square footage of the business used for the sale of alcoholic beverages.

(2) The closure for restoration of premises rendered totally or partially inaccessible by an act of God or a toxic accident, if the restoration does not increase the square footage of the business used for the sale of alcoholic beverages.

FINDINGS OF FACT

After thorough consideration of the statements contained in the application, the plans submitted therewith and the testimony presented at the public hearing of August 16, 2016, all of which are by reference made a part hereof, as well as knowledge of the property and surrounding district, I find that the requirements for authorizing a conditional use under the provisions of Sections 12.24-W, 1 have been established by the following facts:

BACKGROUND

The subject site is a level, rectangular, corner lot which measures 9,004 square-feet. The site has an approximately 150-foot frontage along Avenue 56 and a 60-foot frontage along Figueroa Street and the rear alley. The site is zoned C2-2D-HPOZ with a Neighborhood Commercial land use designation in the Northeast Los Angeles Community Plan Area. The site is also located in the Avenue 57 Transit Oriented District (TOD) Specific Plan, the Highland Park-Garvanza Historic Preservation Overlay Zone (HPOZ), the East Los Angeles State Enterprise Zone (ZI-2129), and a Transit Priority Area in the City of Los Angeles (ZI-2452). The Avenue 57 TOD Specific Plan regulates new development in order to incentivize adaptive reuse, regulate building scale, and develop a strong commercial corridor with goods and services near the Gold Line Highland Park station. The Specific Plan also encourages the creation of cultural facilities to retain and support the local artists in the community. The proposed project is located in an existing building and is not considered a project under the Specific Plan. Compliance with the Highland Park-Garvanza HPOZ will be reviewed during the building permit clearance process for the change of use. The East Los Angeles State Enterprise Zone allows for reduced parking requirements for the proposed project, however the site is within half a mile from the Metro Gold Line Highland Park Station.

The subject property is developed with the historic Highland Park Masonic Temple building, a three-story 19,000 square-foot building. The building was designated as a historic building by the City of Los Angeles in 1982 (LA-282), by the State of California in 1990 (#026813), and the National Register of Historic Places in 1990 (#89002268). The subject property contains a commercial bakery and the Council District 1 Field Office on the ground floor along Figueroa Street, a café and clothing store on the ground floor along Avenue 56, a Masonic Lodge on the second floor, and an attic and offices on the third floor. The proposed project will occupy the second floor.

The proposed project includes a change of use from an existing lodge hall to a theater, restaurant, and lounge with dancing. The site will also be used for private events including weddings, screenings, and corporate gatherings. The applicant is requesting conditional use permits to allow public dancing and the sale and dispensing of a full line of alcoholic beverages for on-site consumption in conjunction with a proposed 7,533 square-foot theater, restaurant, and lounge with live entertainment including live music, theater plays, and comedy shows with 352 interior seats. The proposed hours of operation are 7:00 a.m. to 2:00 a.m., daily.

The subject property is located in Historic Highland Park, which is characterized by low-rise historic buildings with rich architectural heritage along the Figueroa Boulevard commercial corridor. Properties to the north, across a 15-foot alley, are zoned RD2-1-HPOZ and developed with multi-family residential uses. Properties to the south, across Figueroa Street, are zoned C2-2D-HPOZ and developed with commercial and office uses. Properties to the west, abutting the subject property, are zoned C2-2D-HPOZ and developed with a parking lot, a bank, and commercial uses. Properties to the east, across Avenue 56, are zoned [Q]C4-2D-HPOZ and developed with office buildings and a liquor store.

Avenue 56 adjoins the property to the east, and is a designated Local Street - Standard with a 60-foot width, and improved with paved roadway, curb, gutter, and sidewalk.

Figueroa Street adjoins the property to the south, and is an Avenue I with a 100-foot width, and improved with paved roadway, curb, gutter, and sidewalk.

An alley adjoins the property to the north with a 15-foot width.

Previous zoning cases, permits and orders on the subject property:

Building Permit No. 16016-10000-07253 – Pending issuance for the change of use and an interior tenant improvement of an existing lodge hall to theater with dancing and restaurant on the second floor, install elevator for the second floor and walk-in cooler on the ground floor, and strengthen the third floor framing.

CONDITIONS IDENTIFIED FOR CONSIDERATION BY THE STATE DEPARTMENT OF ALCOHOLIC BEVERAGE CONTROL RELATIVE TO THE SALE AND DISTRIBUTION OF ALCOHOLIC BEVERAGES

In approving the instant grant, the Zoning Administrator has not imposed Conditions specific to the sale or distribution of alcoholic beverages, even if such Conditions have been volunteered or negotiated by the applicant, in that the Office of Zoning Administration has no direct authority to regulate or enforce Conditions assigned to alcohol sales or distribution.

The Zoning Administrator has identified a set of Conditions related to alcohol sales and distribution for further consideration by the State of California Department of Alcoholic Beverage Control (ABC). In identifying these conditions, the Office of Zoning Administration acknowledges the ABC as the responsible agency for establishing and enforcing Conditions specific to alcohol sales and distribution. The Conditions identified below are based on testimony and/or other evidence established in the administrative record, and provide the ABC an opportunity to address the specific conduct of alcohol sales and distribution in association with the Conditional Use granted herein by the Zoning Administrator.

- No person under 21 years of age shall sell or serve alcoholic beverages.
- There shall be no minimum drink required of patrons.
- Petitioner(s) shall not have a cover charge for admission to the restaurant.

BASIS FOR CONDITIONAL USE PERMITS

A particular type of development is subject to the conditional use plan approval process because it has been determined that such use of property should not be permitted by right in a particular zone. All uses requiring a conditional use permit from the Zoning Administrator are located within Section 12.24-W of the Los Angeles Municipal Code. In order for public dancing and a full line of alcoholic beverages for on-site consumption to be authorized, certain designated findings have to be made. In these cases, there are additional findings in lieu of the standard findings for most other conditional use categories.

FINDINGS

Following (highlighted) is a delineation of the findings and the application of the relevant facts to same:

1. **The project will enhance the built environment in the surrounding neighborhood or will perform a function or provide a service that is essential or beneficial to the community, city or region.**

The site is zoned C2-2D-HPOZ with a Neighborhood Commercial land use designation in the Northeast Los Angeles Community Plan Area. The site is also located in the Avenue 57 Transit Oriented District (TOD) Specific Plan, the Highland Park-Garvanza Historic Preservation Overlay Zone (HPOZ), the East Los Angeles State Enterprise Zone (ZI-2129), and a Transit Priority Area in the City of Los Angeles (ZI-2452). The subject property is located in Historic Highland Park, which is characterized by low-rise historic buildings with rich architectural heritage along the Figueroa Boulevard commercial corridor.

The subject property is developed with the historic Highland Park Masonic Temple building, a three-story 19,000 square-foot building. The subject property contains a commercial bakery and the Council District 1 Field Office on the ground floor along Figueroa Street, a café and clothing store on the ground floor along Avenue 56, a Masonic Lodge on the second floor, and an attic and offices on the third floor. The proposed project will occupy the second floor.

The proposed project includes a change of use from an existing lodge hall to a theater, restaurant, and lounge with dancing. The site will also be used for private events including weddings, screenings, and corporate gatherings. The applicant is requesting conditional use permits to allow public dancing and the sale and dispensing of a full line of alcoholic beverages for on-site consumption in conjunction with a proposed 7,533 square-foot theater, restaurant, and lounge with

live entertainment including live music, theater plays, and comedy shows with 352 interior seats. The proposed hours of operation are 7:00 a.m. to 2:00 a.m., daily.

The project will provide a service that is beneficial to community by offering an entertainment venue for residents, visitors, and local artists of the Highland Park community. The project's proximity to the Metro Gold Line Highland Park Station allows visitors from across the region to access the proposed restaurant, theater, and lounge. The project will improve the built environment by preserving the architectural character of an existing historic building, while enhancing the Figueroa Boulevard commercial corridor with a new entertainment use. The proposed use in conjunction with the imposition of conditions addressing entertainment and alcohol-related operations, will assure the use enhances the built environment in the surrounding neighborhood.

2. **The project's location, size, height, operations and other significant features will be compatible with and will not adversely affect or further degrade adjacent properties, the surrounding neighborhood, or the public health, welfare and safety.**

The site is zoned C2-2D-HPOZ with a Neighborhood Commercial land use designation in the Northeast Los Angeles Community Plan Area. The site is also located in the Avenue 57 Transit Oriented District (TOD) Specific Plan, the Highland Park-Garvanza Historic Preservation Overlay Zone (HPOZ), the East Los Angeles State Enterprise Zone (ZI-2129), and a Transit Priority Area in the City of Los Angeles (ZI-2452). The subject property is developed with the historic Highland Park Masonic Temple building, a three-story 19,000 square-foot building. The proposed project includes a change of use from an existing lodge hall to a theater, restaurant, and lounge with dancing. The site will also be used for private events including weddings, screenings, and corporate gatherings. The applicant is requesting conditional use permits to allow public dancing and the sale and dispensing of a full line of alcoholic beverages for on-site consumption in conjunction with a proposed 7,533 square-foot theater, restaurant, and lounge with live entertainment including live music, theater plays, and comedy shows with 352 interior seats. The proposed hours of operation are 7:00 a.m. to 2:00 a.m., daily.

The subject property is located in Historic Highland Park, which is characterized by low-rise historic buildings with rich architectural heritage along the Figueroa Boulevard commercial corridor. Properties to the north, across a 15-foot alley, are zoned RD2-1-HPOZ and developed with multi-family residential uses. Properties to the south, across Figueroa Street, are zoned C2-2D-HPOZ and developed with commercial and office uses. Properties to the west, abutting the subject property, are zoned C2-2D-HPOZ and developed with a parking lot, a bank, and commercial uses. Properties to the east, across Avenue 56, are zoned [Q]C4-2D-HPOZ and developed with office buildings and a liquor store.

The project's location, size, height, and operations are compatible with the surrounding neighborhood. The grant with the imposed conditions provides for mitigation of any potential effects from public dancing, live entertainment, and the on-site consumption of a full line of alcoholic beverages, including the

implementation of a camera surveillance system, age verification device, and a 24-hour hot line. In addition, conditions to mitigate noise from the use will minimize the impact on the adjacent residential community. These operating conditions in combination with the Monitoring, Verification and Inspection Program (MViP) will allow the City the opportunity to continue to monitor the operation of the proposed use and ensure compliance with imposed conditions. Therefore as conditioned, public dancing, live entertainment, and the sale and dispensing of a full line of alcoholic beverages will not adversely affect or further degrade the adjacent properties, the surrounding neighborhood, or the public health, welfare, and safety of the community.

3. The project substantially conforms with the purpose, intent and provisions of the General Plan, the applicable community plan, and any specific plan.

The City's General Plan consists of eleven elements that establish policies that provide for the regulatory environment in managing the City and for addressing environmental concerns and problems.

The Northeast Los Angeles Community Plan Map designates the property for Neighborhood Commercial land uses with corresponding zones of C1, C1.5, P, C2, C4, and RAS3. The site is also located in the Avenue 57 Transit Oriented District (TOD) Specific Plan and the Highland Park-Garvanza Historic Preservation Overlay Zone (HPOZ). The Avenue 57 TOD Specific Plan regulates new development in order to incentivize adaptive reuse, regulate building scale, and develop a strong commercial corridor with goods and services near the Gold Line Highland Park station. The proposed project is located in an existing building and is not considered a project under the Specific Plan. Compliance with the Highland Park-Garvanza HPOZ will be reviewed during the building permit clearance process for the change of use.

The Northeast Los Angeles Plan text is silent in regards to alcohol sales. In such cases, the Zoning Administrator must interpret the intent of the Plan. The Northeast Los Angeles Community Plan policies promote an arrangement of land uses, streets, and services to encourage and contribute to the economic, social and physical health, safety, welfare and convenience. The existing use is consistent with and advances the following objectives and policies identified in the Northeast Community Plan:

Goal 2: Strong and competitive commercial areas that suitably serve the needs of the community and attracts customers from outside the Plan Area by satisfying market demand and maximizing convenience and accessibility while preserving unique historic and cultural identifies of each commercial area.

Objective 2-1: To conserve and strengthen potentially viable commercial areas in order to stimulate and revitalize business and create opportunities for appropriate new commercial development.

Objective 2-2: To enhance the identity and appearance of the commercial districts.

The existing use conforms with the intent, purpose, and provisions of the General Plan and the Northeast Los Angeles Community Plan.

4. The proposed use will not adversely affect the welfare of the pertinent community.

The proposed project includes a change of use from an existing lodge hall to a theater, restaurant, and lounge with dancing. The site will also be used for private events including weddings, screenings, and corporate gatherings. The applicant is requesting conditional use permits to allow public dancing and the sale and dispensing of a full line of alcoholic beverages for on-site consumption in conjunction with a proposed 7,533 square-foot theater, restaurant, and lounge with live entertainment including live music, theater plays, and comedy shows with 352 interior seats. The proposed hours of operation are 7:00 a.m. to 2:00 a.m., daily.

As conditioned by this grant, public dancing, live entertainment, and the on-site consumption of a full line of alcoholic beverages will not adversely affect the welfare of the pertinent community. The grant imposes conditions which require that security measures such as a surveillance system and a Los Angeles Police Department Café and Entertainment permit to mitigate the negative impacts commonly associated with public dancing and the sale of alcoholic beverages. In addition, the grant requires that the applicant install an age verification device at all points-of-sale, to deter underage purchases and drinking. Employees will undergo training provided by the Los Angeles Police Department STAR (Standardized Training for Alcohol Retailers) Program. In addition, the condition requiring by a 24-hour hot line will allow the community to communicate with the operator regarding any complaints or concerns due to the operation. Other conditions related to minimizing noise, preventing litter and loitering will ensure the welfare of the community.

5. The granting of the application will not result in an undue concentration of premises for the sale or dispensing for consideration of alcoholic beverages, including beer and wine, in the area of the City involved, giving consideration to applicable State laws and to the California Department of Alcoholic Beverage Control's guidelines for undue concentration; and also giving consideration to the number and proximity of these establishments within a one thousand foot radius of the site, the crime rate in the area (especially those crimes involving public drunkenness, the illegal sale or use of narcotics, drugs or alcohol, disturbing the peace and disorderly conduct), and whether revocation or nuisance proceedings have been initiated for any use in the area.

The project site is located within Census Tract 1838.10. According to the California Department of Alcoholic Beverage Control ("ABC") licensing criteria, 4 on-sale and 2 off-sale alcoholic beverage licenses are allocated to subject Census Tract No. 1838.10. Data provided on the ABC's License Query System indicate that there

are 8 existing on-site and 7 existing alcoholic beverage licenses within the subject Census Tract.

Within a 1,000-foot radius of the subject property, the following types of alcoholic beverage licenses are active or pending:

- (6) Type 20 – Off-Sale – Beer and Wine
- (1) Type 21 – Off-Sale – General
- (6) Type 41 – On-Sale – Beer and Wine – Eating Place
- (1) Type 47 – On-Sale – General – Eating Place
- (1) Type 48 – On-Sale – General – Public Premises

According to statistics provided by the LAPD, which has jurisdiction over the subject property within Crime Reporting District No. 1149, a total of 311 crimes were reported in 2015, compared to the citywide average of 181 crimes and the high crime reporting district average of 217 crimes for the same period.

In 2015, there were 25 Narcotics, 3 Liquor Law, 74 Public Drunkenness, and 15 DWI related arrests. These numbers do not reflect the total number of arrests in the subject reporting district over the accountable year. Arrests for this calendar year may reflect crimes reported in previous years.

Over concentration can be undue when the addition of a license will negatively impact a neighborhood. Over concentration is not undue when the approval of a license does not negatively impact an area, but rather such a license benefits the public welfare and convenience. The subject site is located in a commercial corridor where a concentration of restaurants is evident and thus the higher number of alcoholic beverage licenses are anticipated. In these active commercial areas where there is a demand for licenses beyond the allocated number and where an over-concentration of licenses is suggested, the ABC has recognized that high-activity retail and commercial centers and designation points within a community are supported by a significant employee population. The Department of Alcohol Beverage Control has the discretion to approve an application if there is evidence that normal operations will not be contrary to public welfare and will not interfere with the quiet enjoyment of property by residents. In addition, the negative impacts commonly associated with the sale of alcoholic beverages, such as criminal activity, public drunkenness, and loitering are mitigated by the imposition of conditions requiring surveillance and deterrents against loitering. The conditions will safeguard the welfare of the community.

6. **The proposed use will not detrimentally affect nearby residentially zoned communities in the area of the City involved, after giving consideration to the distance of the proposed use from residential buildings, churches, schools, hospitals, public playgrounds and other similar uses, and other establishments dispensing, for sale or other consideration, alcoholic beverages, including beer and wine.**

The following sensitive uses were observed within a 1,000-foot radius of the subject property:

- Christian Science Church, 131 North Avenue 57
- Monte Vista Street Elementary School, 5423 Monte Vista Street
- Multi-family dwellings
- Single-family dwellings

The grant has been well conditioned, which should protect the health, safety and welfare of the surrounding community. The proposed theater, lounge, and restaurant will continue to contribute to the enhancement of the quality of life and economic revitalization of the area.

ADDITIONAL MANDATORY FINDINGS

7. The National Flood Insurance Program rate maps, which are a part of the Flood Hazard Management Specific Plan adopted by the City Council by Ordinance No. 172,081, have been reviewed and it has been determined that this project is located in Zone C, outside of the flood zone.
8. On August 8, 2016, a Mitigated Negative Declaration (ENV-2016-1624-MND) was prepared for the proposed project. This Mitigated Negative Declaration reflects the lead agency's independent judgment and analysis of the project. On the basis of the whole of the record before the lead agency including any comments received, the lead agency finds that with imposition of the mitigation measures described in the MND (and identified in this determination), there is no substantial evidence that the proposed project will have a significant effect on the environment. I hereby adopt that action.

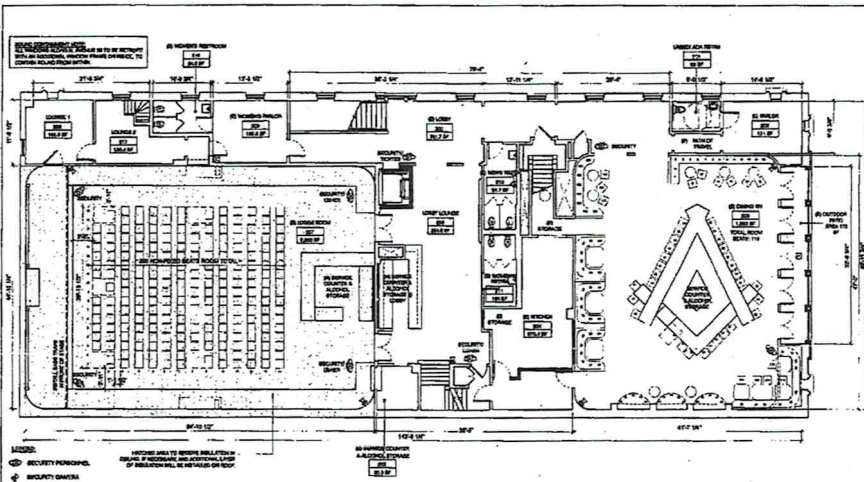

Inquiries regarding the matter shall be directed to the Project Planner Iris Fagar-Awakuni at (213) 202-5475.
